Kresge Auditorium

WELCOME

Welcome to today's performance.

Since 1928, Interlochen Arts Camp has been a destination for artists of all ages. Each summer, thousands of students, faculty members, and professional performers flock to northern Michigan to be immersed in a creative community unlike any other.

This year, more than 3,300 students from across the United States and around the world have joined us between the lakes for a transformative artistic experience. These students will attend lessons and rehearsals, work with exceptional instructors, and stage events like this one—all while building friendships and memories that will last a lifetime.

Interlochen Arts Camp is just one facet of our vibrant organization. Beyond today's performance, I encourage you to explore and discover everything Interlochen has to offer—from delicious soft-serve ice cream cones and scenic lakeside hotel rooms to workshops for adult learners and Interlochen Online's expert-designed courses. You can also enjoy more incredible performances on campus, via live webcast, or over the airwaves on Interlochen Public Radio.

Net proceeds from our performances and events support student scholarships; thank you for investing in the young artists of tomorrow. I hope to see you on campus again soon.
