# WELCOME

Welcome to this evening's performance.

At Interlochen, our idyllic campus serves as a global hub where artists and art forms converge. Opportunities abound at Interlochen for young artists to deepen their skills and collaborate with peers across artistic disciplines—sparking curiosity and propelling personal growth.

Beyond tonight's concert, I hope you'll explore the extraordinary year-round cultural and educational opportunities available at our one-of-a-kind institution. Each year, we present hundreds of student and faculty performances from Interlochen Arts Academy, our boarding arts high school, and Interlochen Arts Camp, our world-renowned summer program. We also offer online programs in the arts for creatives ages seven through adulthood via Interlochen Online, and host workshops and retreats for adult artists through Interlochen College of Creative Arts. You can also enjoy live broadcasts and recordings of past performances on Interlochen Public Radio. Visit our website at [interlochen.org](http://interlochen.org) to learn more about all we have to offer.

Proceeds from this evening's concert support student scholarships; thank you for supporting the next generation of creativity. I hope to see you on campus soon.
